PADDINGTON BUNKBED

Ideal bunkbed for young children - with removable ladder, preventing them from climbing to the top bed if Mom is not around!

Mokki pink Bunk (547)

Neat, bunkbed with a third pull-out bed for sleep overs

2 Ingredients No Machine Ice Cream

Ingredients:

- 1 Can (400ml) sweetened condensed milk (fat-free or regular) cold
- 2 cups (450 ml) whipping cream, cold

Instructions:

1. Place sweetened condensed milk in the fridge to keep cold
2. Beat cold heavy cream on medium in a stand mixer fitted with the whisk attachment (or using a hand mixer) until stiff peaks form.
3. Turn down the speed a little and pour the condensed milk into the whipped cream. (Stir in vanilla extract now if desired).
4. Then, turn up the machine speed again and whip until your mixture is thick and to stiff peaks.
5. Now you have your ice cream base you can add in your desired flavors and fixing. GO NUTS! experiment and enjoy creating something that is all you.
6. Place in a large resealable container and freeze at least 6 hours or overnight before eating.

How to flavor your ice cream base:

- Strawberry Ice Cream: Swirl ¼ cup strawberry puree into 2 cups ice-cream base
- Honeycomb Ice Cream: Mix ½ cup crushed Honeycomb into 2 cups ice-cream base. Don't add too much as it will make your ice-cream soft, but very yummy.
- Cookies and Cream Ice cream: Mix ⅔ cup crushed Oreo Cookies into 2 cups ice-cream base
- Mango Ice cream: Swirl ¼ cup mango puree into 2 cups ice-cream base
